

# Can we find you in an emergency?

Help us find you with a reflective address sign!

Would emergency responders be able to find you if you needed help? In an emergency, every second counts, and there is no better way to help us out than to have your address clearly marked. Don't wait for an emergency to find out that your address is not visible from the street.

Snohomish County Fire District 7 can make you a personalized address sign to ensure that your address is visible from the street. Order your sign today for \$12!

Horizontal or vertical signs are available (posts do not come with signs).
