Percent compliance with having personnel trained in the set-up and function of the FOC.	Chief Jaeger Chief Clinton	0	0	0	
Overall Percent Compliance by Year:		48%	48%	50%	

What does this measure tell us?

This measure tells us whether or not the District has prepared a formal Fire Operations Center that will enable its personnel to effectively manage the deployment of emergency assets after a major disaster, either human caused or naturally caused.

Goal being measured:

Develop and Maintain an Effective Service Delivery System.
