###

On January 1, 2020 Lake Stevens Fire and Snohomish County Fire District 7 merged agencies. The new district serves over 162,000 people over 140 square miles and is dedicated to saving lives, protecting property, and taking care of people in a fiscally responsible manner. We serve the cities of Lake Stevens, Mill Creek, and Monroe along with the unincorporated areas surrounding these communities. In 2019, our emergency personnel responded to more than 17,000 emergency calls. Through community support, we have built one of the most advanced emergency response systems in Snohomish County with highly-trained personnel, facilities, apparatus, and progressive rescue programs. We appreciate your support and are grateful for the opportunity to serve our community.
